### Scorpion Capital – Daily Business Newsletter

Date: July 20, 2025

**From the Desk of Dr. Aditya Vijay Kashyap**

Greetings,

In today's dynamic and rapidly evolving global business environment, one must remain both vigilant and optimistic. The surge in the crypto sector, upcoming industrial consolidations, and evolving trade tensions underscore the volatility, but also highlight unique opportunities for those with vision and resilience.

As Founder and Principal Partner of Scorpion Capital, I urge our partners and readers to focus on fundamentals, seek clarity in chaos, and prepare for strategic allocations across digital assets, energy, infrastructure, and frontier markets.

Stay informed, stay proactive.

Warm regards,  
Dr. Aditya Vijay Kashyap  
Founder & Principal Partner, Scorpion Capital
