Empowering Nepal's Youth, Preserving Heritage, and Building a Future Together

Nepal today stands at the crossroads of political awakening and economic transformation. The recent Gen Z-led movement, symbolized by the courage and leadership of Sudan Gurung and thousands of young Nepalis, has demonstrated the true power of collective consciousness. It is a testament to a new era — where identity, culture, and economic aspirations converge to shape a stronger, self-reliant Nepal.

At Scorpion Capital, we salute the resilience of Nepal's youth and remain deeply committed to contributing towards the nation's economic, social, cultural, and international growth. We believe that real change begins when aspirations are converted into sustainable action. Our vision for Nepal is bold yet achievable — to position it as a regional hub of innovation, culture, and prosperity.

Scorpion Capital's Commitment to Nepal:

- **Infrastructure Development** – Driving investments into smart cities, film and entertainment hubs, transport networks, and self-sustaining ecosystems.
- **Healthcare Expansion** – Supporting advanced healthcare facilities, research centers, and specialized hospitals to strengthen public well-being.
- **Employment & Skill Development** – Creating jobs, nurturing talent, and empowering youth through modern education and training.
- **Industrial & Tourism Growth** – Establishing industries aligned with Nepal's natural strengths, promoting eco-tourism, and boosting local entrepreneurship.
- **Self-Sustainable Economic Model** – Advocating renewable energy, innovation-led industries, and cultural tourism to make Nepal globally competitive.

Vibrant Nepal – Our Journey Together:

On 16th to 26th July 2025, Scorpion Capital proudly organized the landmark “Vibrant Nepal” initiative — a collaborative platform designed to attract global investors and showcase Nepal’s untapped potential.

Following this, we hosted an exclusive Investor Roadshow at Holiday Inn, New Delhi, on 27th August 2025, graced by H.E. The Ambassador of Nepal to India as Chief Guest. These milestones reflect our unwavering dedication to connecting Nepal with global markets, unlocking strategic partnerships, and paving the way for long-term sustainable growth.

Special Acknowledgment:

We extend our heartfelt gratitude to **Mr. Tiger Rana** — ex-Gorkha Regiment, Indian Army — for his exceptional support and contribution as **Chief Representative of Scorpion Capital in Nepal**. His relentless dedication and leadership have been instrumental in initiating the Vibrant Nepal mission and working towards Nepal’s **economic, cultural, and social renaissance**. We are truly grateful for his **unconditional support** in driving this vision forward.

A Call to Nepal’s Youth:

Nepal’s future lies in the hands of its young generation. Your courage has already inspired change — now it’s time to channel that same energy towards economic empowerment and nation-building.

“A nation’s strength lies not in its mountains but in the dreams of its people.”

We invite the youth of Nepal to actively participate in shaping a new economic vision. Together, let us build an ecosystem where culture meets innovation, tradition fuels technology, and heritage powers growth.
