

#IndiaNepalRelations #InvestNepal

From the Desk of Dr. Aditya Vijay Kashyap

It was indeed a pleasure meeting His Excellency the Ambassador of Nepal, along with the Country Consulate at the Embassy of Nepal, New Delhi. Our discussions were highly encouraging and centered around exploring strategic investment opportunities and economic growth avenues for Nepal. The dialogue also encompassed several socio-economic and humanitarian initiatives built on a sustainability-driven model aimed at:

- Generating employment opportunities
- Promoting tourism and spiritual tourism
- Enhancing infrastructure development

Scorpion Capital remains committed to fostering cross-border partnerships and nation-building initiatives that align with sustainable economic empowerment and long-term prosperity for the people of Nepal
