BUILDING BRIDGES. CREATING FUTURES.

A distinguished meeting bringing together visionary leaders from India and Bhutan.

ANOTHER SIGNIFICANT MILESTONE FOR SCORPION CAPITAL

Another significant milestone for **Scorpion Capital** as we continue to strengthen cross-border investment and strategic advisory partnerships across emerging global markets.

After successful engagements in Nepal, Indonesia, and Niger, we are proud to initiate collaboration opportunities with one of Bhutan's renowned corporate groups, reinforcing our commitment toward sustainable investment, regional economic cooperation, and long-term value creation.

Bhutan represents a unique blend of stability, sustainability, and visionary growth. We see immense potential in sectors including infrastructure, renewable energy, hospitality, manufacturing, fintech, and strategic industrial partnerships.

At Scorpion Capital, our focus remains on creating impactful global alliances, facilitating institutional investments, and delivering structured financial solutions that connect businesses across borders.

This achievement reflects the growing trust placed in Indian investment banking capabilities on the international stage.
